Summary of Highway Maintenance

Labor	$3,060.65
Equipment	$1,487.64
Material	581.36
Total	$5,129.65

Eight hundred feet of snow fence was purchased in 1936.

Three-fourths of a mile of Class V roads was reconstructed to eighteen feet wide. Many obstacles such as stumps, rocks and trees were removed to aid in operating the snow-plow.

The maintenance cost of a good wide road is much less than that of a narrow road. In maintaining a narrow road the same process has to be repeated each year, thus, from year to year having nothing to show

for the money expended. Therefore, to cut down maintenance costs wider roads should be constructed.

The Hunt Mountain road needs special attention this coming year. Culverts could be installed in place of the numerous water bars, with little expense.

Road Commissioner

The library subscribes to the following magazines: American Magazine, American Boy, American Girl, Child Life, Readers Digest, Needlecraft, Literary Digest, National Geographic Magazine, Nature Magazine, Yankee Magazine, Spitfire, Atlantic Monthly.

We also receive the "New Hampshire Troubador" and "Our Dumb Animals". Through the kindness of Mrs. George Thomas, Mrs. Agnes Little, Mrs. Paul Brooks, Mrs. H. S. Smith, Mrs. W. C. Cole, Mrs. G. L. Frazer and Miss Mabel Connolly, we have had the following magazines on the tables: Collier's, Delineator, Woman's Home Companion, McCall's, Review of Review's, Science and Mechanics, Farm Journal, Ladies' Home Journal, Saturday Evening Post, American Poultry Journal and one number of various magazines.

The library has purchased 139 books and has had gifts of 29 books. We took advantage of the opportunity to borrow "traveling library" collections of the New Hampshire book commission, one of the "librarys" consisted of 35 children's books. The other collection contained 25 books suitable for high school and adult readers.

Our subscription to the Junior book guild has proven very satisfactory with a good collection of books for children from six to eleven.

We wish to thank Mr. John G. Gilchrist of Barnet, Vt., for his gift to the library of the "Adjutant General's report of Soldiers and Sailors in the War of the Rebellion".

Most of the books given the library the past year were through the kindness of Mrs. D. E. Burns of Woodsville, N. H.

There have been 75 books rebound and repaired so that they are in a readable condition and a great im-

provement to the general appearance of the library shelves. New shelves have been added this year to hold approximately 900 books.

The library is in need of a good magazine rack and a larger desk for the librarian's use. The librarian attended the New Hampshire Library Association meeting at New London, N. H., September 2 to 4 and the district meeting at Littleton in October, thereby gaining much valuable library information.

We hope that the book bags that we tried to distribute to each family that borrows books from the libraries, proved useful to you. The librarian thinks it would be nice if the library owned a mimeograph. She would then be able to keep the families of the town informed as to new books, etc.

School Report

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Monroe qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 9th day of March 1937, at one o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.

6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.

8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public

schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.

9. To transact any other business that may legally come before this meeting.

Given under our hands at said Monroe this 1st day of February, 1937.

F. M. JOHNSON,
MARION A. HALL,
L. H. Hall,
School Board.

A true copy of Warrant—Attest:

F. M. JOHNSON,
MARION A. HALL,
L. H. Hall,
School Board.

Report of the Superintendent of Schools

To the School Board and Citizens of the Monroe School District:

I herewith present for your consideration my seventh annual report as superintendent of schools.

1935 - 1936

Total enrollment	90
Percent of attendance	96.39
Cases of tardiness	15
Attending McIndoes academy	30
Transported at district expense	87
School visits by board members	0
School visits by superintendent	111
School visits by citizens	74

Roll of honor for perfect attendance:

Ilene Darling	Elmer Johnson
Pauline Overs	Eila Darling
Cecelia Overs	

Promoted June 1936, from the eighth grade:

Erwin Choate	Harrietta Griffin
Eila Darling	Lillian Hunt
Priscilla Emery	Patricia Little
Mary Frazer	Mary Mitchell

1936 - 1937

Enrollment to date	90
Attending McIndoes Academy	34

Teachers:

Mabel I. Connolly, Principal, grades VII-VIII.
Lillian D. Stone, grades V-VI, and domestic arts.
Margaret R. Cyr, grades III-IV.
Harriet F. Wilton, grades I-II.

H. Ruth Johnson, special teacher.
Alice M. Brown, vocal music.
Priscilla A. Bedell, piano.
C. George McLure, band instrumental music.
Lottie M. B. Underhill, school nurse.
Henry Page, health and truant officer.
Lewis Wright, janitor.

Again the percent of attendance for last year was higher than the state average of 94.75, while the tardiness per pupil was only about one-fifth of the average. State rules require the marking of children tardy if the school bus, by which they come, is late. The fact that our bus was not late once last year nor during the past five years has made possible such a fine record.

While the registers did not record any formal visits by members of the board, the building was actually visited almost every day during the school year. The Monroe Board was probably in closer touch with the school than almost any other board in the state.

The pupils continue to receive pleasure and benefit through a number of different activities. Both boys and girls have basketball teams which are playing a schedule of about a dozen games this year. The boys have a baseball nine which plays teams from East Ryegate, McIndoes, and other neighboring towns. The girls enjoy softball contests between different classes and groups.

In addition to athletic sports, the school sponsors entertainments and exercises in which the children take part. About once a week are shown motion pictures which supplement the work in geography, science, history and other school subjects. Recently

there has been organized under the leadership of Miss Bedell a music club having as its object the study of the lives of great composers and the appreciation of their compositions. The band continues to make a good showing both at home and when away with other school bands at music festivals.

As a result of the finding of large scale experiments made in other school systems, it seemed advisable to install some typewriters in the primary grades. Typing their exercises seems to aid children in the formation of correct word images. It also helps their spelling, and stimulates more original and better composition.

Continuing the custom of other years a dental clinic was held last year and a large number of the children treated. While the expenditure of school money is restricted by the state regulations to inspection only, there is no doubt that treatment is much more valuable. It is to be hoped, therefore, that town and private funds may continue to make these clinics possible.

Respectfully submitted,
EDWARD A. JANES.
